Getta Entertainment Server Updates 7-05-06 (2:40 am PDT)*

GettaLife Emergency Update

It has come to our attention that one of our subscribers in Masters of Mayhem (MoM), known as "The Crimson Knight" has violated the Terms of Service in a manner that may have impacted other users. We would like to take this opportunity to emphasize how much we deplore such activities that violate the spirit of community in our virtual worlds. We at Getta Entertainment are committed to the quality service our subscribers have come to expect and wish to assure our loyal subscribers that every measure is being taken to limit server disruption while the investigation proceeds. We are cooperating fully with Law Enforcement and promise that the individuals responsible will be prosecuted to the fullest extent of the law.

As a precaution, we have taken our game servers down for an emergency review. We expect to have all servers back online within 4 to 6 hours. We apologize for any inconvenience this may cause.

Getta Entertainment is the universal provider of quality online gaming experiences. GettaLife is Getta Entertainment's premiere products are enjoyed and used in 642 countries by over 1,000,000,000 gamers.
